14. In these explanations of the Turkish Peace terms, the Governor-General in Council does not speak for His Majesty's Government. He has utilized such information as has come into his possession, and has attempted to explain the terms with special reference to their bearing on Indian Muslim sentiments. He has stated all the facts, nothing being mitigated and nothing overstated. He recognises that in spite of all explanations the terms of the peace settlement with Turkey are such as must cause pain to the Muhamadans of India. The Muslims must brace themselves to bear with patience and resignation the misfortunes of their Turkish co-religionists. The situation is one which calls for clear vision and a resolve to build a better future on the wreck of the past. Above all the world needs peace and goodwill. It is a matter of supreme necessity for all men to work towards this end and those who at this critical time arouse religious passions are enemies not only of India but of mankind.

Secretary to the Government of India.

Circular No. 424.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

FORESTS.

Simla the 27th April 1920.

FROM

J. H. HULLAH, ESQ., I.C.S.,

Offg. Secretary to the Government of India,

To

ALL LOCAL GOVERNMENTS AND ADMINISTRATIONS.

SIR,

I am directed to inform you that with the approval of His Majesty's Secretary of State for India, it has been decided to offer about 15 probationerships for the Imperial Forest Service to be selected from candidates from India and about 3 to be selected from candidates from Burma.

2. I am to forward copies of the regulations and forms of application and am to draw attention to the necessity of the applications reaching Simla on the date prescribed namely* the 15th June. In order to complete the entries in Part II of the form of application it will be necessary for local Governments to arrange to interview candidates, but the Government of India are prepared to leave local Governments to decide the most suitable form of interview and to fix the date or dates for interview, which they will no doubt announce as soon as possible. The regulations should be published in the Gazettes, and made as public as possible. The Secretary of State has charged the Government of India with the maintenance of the past high standard of the service and I am to ask that this may be borne in mind in endorsing the applications.

* The local Governments other than Burma.
To Burma only 20th June.

3. The Government of India will select the candidates who are to be permitted to appear for the qualifying test and, later, at Dehra Dun, and will communicate their decisions, in each case, to the candidates direct at the same time informing the local Governments concerned of the names of the men so selected.

4. Madras / Bombay / Lahore / Allahabad / Calcutta — To Madras, Bombay, Punjab, United Provinces, Bengal only. has been selected as one of the centres at which the qualifying examinations referred to in paragraph 6 of the regulations, will be held on July 9th and 10th and I am to ask that arrangements may be made accordingly and that the Government of India may be informed of the place at which the candidates will be required to attend so that they may be advised when the orders requiring their attendance are issued. Intimation of the number of candidates for whom provision must be made will be given as soon as possible. The question papers will be forwarded by the President, Forest Research Institute and College, Dehra Dun, who will at the same time state to whom the candidates' papers are to be forwarded for valuation: it is obvious that they should be transmitted with the least possible delay as the time within which the papers must be valued and the candidates summoned for interview, etc., is limited by the fact that it will be necessary for the probationers selected to reach England by October 1st. Unless desired to do otherwise the President, Forest Research Institute and College, Dehra Dun, will despatch the question papers to you. I am particularly to request that the dates and hours fixed by the examiners for the various papers may be strictly adhered to.

4. Owing to the delay which will be unavoidable if examination papers have to be sent from Rangoon to India for valuation, I am to ask that the local Government will appoint examiners in Burma to set the papers for the qualifying examination in the subjects and within the limits prescribed in paragraph 6 of the regulations, for Burma candidates, and to value the candidates' answers. There should be three papers: one in English, one in Arithmetic and Algebra and one in Trigonometry and Logarithms. As in the case of Indian centres the examinations should be held

(Burma only.)

on July 9th and 10 and the marks made by each candidate should be communicated to the Government of India by telegram so as to reach Simla not later than July the 25th. The Government of India should be informed by telegram of the place at which the candidates will be required to undergo the qualifying examination so that they may be advised accordingly when the orders requiring their attendance are issued.

5. Passages to England for the selected probationers will be arranged by the Government of India. I am to ask, however, that the local Government will take steps to ensure that there is no delay in the issue of passports to the probationers, whose names will be communicated to the local Governments concerned directly selection is completed, and also that a passport be not issued to any probationer who has not provided, to the satisfaction of the local Government or Political Officer, the security (to the extent of Rs. 4,000), required by paragraph 12 (*b*) of the regulations.

I have the honour to be,

SIR,

Your most obedient servant,

J. H. HULLAH,

Offg. Secretary to the Government of India.
